The Chief 1945

BIG CHIEF WILLIE

Willard

WILLARD HIGH SCHOOL, WILLARD, OHIO

You've all heard of the manpower shortage! It finally hit the staff of the 1945 Chief, and in desperation we hired a real chief to help us edit the book. Willie was in everything, he spilled rubber cement, tore corners off of pictures, and even misspelled words when we assigned him to the copy desk.
But in all, he was a good Indian, and he did know the ins and outs of classes, activities, sports, and faculty, so in spite of his shortcomings we gave him the job of showing you Willard High School in the pages of the 1945 CHIEF . . . .

DEDICATION

DEDICATED TO THE BOYS OF WILLARD WHO HAVE
GIVEN THEIR LIVES IN WORLD WAR II

Today, in a million homes across America, the war is a personal pain, realistic horror. There, behind the gold stars, the hopes of parenthood, the plans of tomorrow are shattered.

But, to we the living, tomorrow comes at the same pace. And to us, the living, the torch of their dreams and their devotion is handed. The challenge of Abraham Lincoln's Gettysburg Address becomes a vivid reality. Out from every gold star, it flings its message to one hundred and thirty-eight million Americans: — "It is rather for us to be here dedicated to the great task remaining before us . . . that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion . . . that we here highly resolve that these dead shall have not died in vein . . . that this nation, under God, shall have a new birth of freedom — and that government of the people, by the people, for the people shall not perish from the earth."

The following boys from Willard have given their lives fighting for their country:

Cecil Burr
James Burton

Clayton Dermer
Wayne Dermer

BOARD OF EDUCATION

This year, more than ever, the Seniors of Willard High realize the important part that the members of the School Board have played in our lives. They have always planned the best for us, and we have tried to follow it. With no thought of fame or personal reward they have served youth to make their way through life easier, happier, and more complete.

CLASSES

The Seniors have contributed much to Willard High such as Stunt Night, Student Government; their famous play "Linda Lou" and this year "Nine Girls." The Seniors this year have been outstanding in music, drama, sports and art.

Our Juniors come next. They will take over the leadership as Seniors. It will be their duty then to show their fellow students better ways in student government.

The Sophomores, who are going to be upperclassmen next year, have a great responsibility under the leadership of the Seniors, we are sure they can carry on.

Then our Freshmen who, although green, are always in the middle of some excitement.

Last but not least our Eighth graders with their troubles and always getting into jams especially going down the wrong stairs.

SENIORS

We, the Seniors of 1945, are taking many pleasant memories with us, as we pass through the doors of Willard High for the last time. With those pleasant memories we will think of the hardships we encountered. These were stepping stones to the goal we strived for and finally reached. The Seniors extend their sincere thanks to Mr. Gates, Mr. Wiebe and the faculty, who have so faithfull y served them not only as teachers but as real friends. It is because of their helpful guidance that we have been able to achieve this goal.

SPORTS

A lot of things have happened in the Willard High School sports this year. In football and basketball, we joined a new league called "The Northern Ohio League. In this league are eight schools including Norwalk, Bellevue, Crestline, Upper Sandusky, Galion, Shelby, and Bucyrus. Our new coach, Mr. Robert Mustain, who had been recently discharged from the army, came to our school. His military training enabled him to put the boys through a rugged training program, which improved the physical condition of all the boys. We are looking forward to an even more successful season next year.
